

The BSIA & BSIBC Food Drive for St. Vincent de Paul was a huge success! We delivered two truck and two carloads of much needed items to St. Vincent's. Thank you to all who came out with food items and cash. Also, I want to thank Donna Nowak, Donna Stankiewicz, Joanne Zimmer, and Linda Powell who came to help collect and deliver the abundance of goodies.

After we all crawled under the tent and with the assistance of Tony from St. Vincent's, we managed to fold up the tent and put it back in the case.
