## Student Registration 2022-23

### 2021-2022 Tuition

Tuition is a monthly fee that includes weekly lesson time, most group classes and studio recitals. Additional fees may be charged for graduation and special recitals. Fee is paid monthly August– May and is due by the 10<sup>th</sup> of each month. More or less time may be given to students according to their needs. Make-up lessons for absences are not given, however, I will make an effort to reschedule if advance notice is given and I have time available.

### Monthly Tuition rates

Twinkle Class (2-3 children share lesson)	\$85
Level 1 (30-minute individual lesson)	\$140
Level 2-4 (45 minute individual lesson)	\$170
Level 5 + (1 hour individual lesson)	\$220
Level 10*	\$250

*Rates and times are for each individual student, not family rates.*

### Payment:

Payment may be made with check, Paypal or Zelle.

**Registration:** \$25 per family each year. Fee holds your place in the fall schedule and covers some studio supplies.

### Student Expectations

Parents are required to attend lessons with their children, play the recordings at home, and supervise practice. Progress is directly related to the amount of effort put in. This includes completing the practice assignment, daily listening, and recital participation. This effort will develop your child's ability to concentrate, and to successfully perform on the piano. This success will increase your child's motivation and desire to study. Parent-Teacher conferences will be held to evaluate student's progress.

**Listening** to recordings is an important part of the Suzuki method and is required for each student. It is the job of the parents to make sure the student is listening to the recording every day.
