

Faith In God Missions

“Rejoice evermore. Pray without ceasing. In every thing give thanks: for this is the will of God in Christ Jesus concerning you” 1 Thessalonians 5:16-18.

Praise the Lord: We had mentioned in a previous newsletter our mission van had been in and out of the shop with many issues and due to the age of the van they have not been able to find the parts needed. After a few more efforts to repair, we have been advised this van has run its course. This van has served us well over the years and has traveled many, many miles for the Lord in mission work. We are so thankful the Lord provided this van for us to travel for so many years and now as it has gone its last mile. BUT GOD, through the Lord’s faithfulness, He has provided another van for us

to continue laboring for the Lord! As Steve and I were out one day, we were blessed to see this 2021 GMC van with only 13,000 miles at a dealership. It had just been put on the lot and was already getting much attention from buyers but God put us right where we needed to be at the right time and we were able to put a down payment on this new mission van! Thank you all for your prayers and those who sent in funds to help

with the van. We are so excited to see the work God has in store and all the places He will take us with this mission van He has provided!

Church Expansion: Things are coming along and our missionary is working hard. As you can imagine, prices for the supplies continue to increase but they are good stewards of the funds and are saving money by doing the work themselves. This church is at capacity and more people come each week; we are believing God to have this church completed this year!

Thank you all for your faithful prayers and support of this ministry!
