Faith In God Missions

"Great is the Lord, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts" Psalm 145:3-4.

Wells in Africa: We are so thankful to each of you for your partnership to drill wells in the country of Africa. Last year, 12 wells were drilled

in different villages providing clean water to so many in need. Another well has already been completed this year! This is such a great need in these villages, and we are thankful God has opened this door to not only drill wells but

for our missionary to share with the villages the Gospel of Jesus Christ and give Bibles in their language to the people there. THANK YOU for joining us in this endeavor. We praise God for all He has done!

Blessings: We were blessed to take a keyboard and a bicycle on our mission trip with us this past November and wanted to share with you how God has used them to build His church.

The pastor on the left was so thankful to have a keyboard for their church and is enjoying playing it each service.

The pastor on the right is in the mountains of Mexico and now has transportation...this bicycle.

Thank you all for your faithful prayers and support of this ministry! Praying For You, Rev. Steve & Freida Bishop Faith In God Missions

HALLELUJAH. HE IS RISEN JUST AS HE SAID!
