Grand Knight's Message, January 2021 Knight Light

Dear Brothers & Sisters of Fr. Judge Council,

To all my Brother Knights and your families, it is my hope you all had a blessed Christmas and a great start to the new Year.

My thanks to Fred Leonardo and all the brother Knights who helped decorate our Church of St. Anthony of Padua Parish both outside and inside. They both came out beautiful and made a great welcoming impression to all who came to Mass for Christmas.

As the pandemic still continues to affect us all, we need to continue to socially distance and follow the Government Guidelines until the threat is contained. We are all encouraged by the beginning of Covid-19 vaccines being distributed to some of the most vulnerable but it will still be a while until enough of the population is vaccinated to curb this virus.

Due to the recent uptick in infections we will be holding our next couple of council meetings via Zoom. Our next meeting will be on Monday the 4th and will be Zoom only.

The Mass for the unborn held each year at St Patrick's Cathedral in Manhattan is scheduled for January 17th at 10:15. Due to reduced allowance number of parishioners allowed in the Church there will be no procession or special seating for any of the State, County and local officers and Guardsmen. If you are able to attend, I encourage you to do so, this is a special event that is very moving for all who participate.

This year's March for Life will be held on the Friday, January 29th. I hope that despite all the current restrictions they will be able to hold this event and continue to petition our Government Officials that they need to protect the lives of the unborn. As I write this, the plans to hold the March are still on and they hope as many as possible are able to attend. I have not heard yet if we will be running a bus from St. Anthony's Parish and will update everyone as soon as I know more.

Please pray for all who have been infected with this virus especially those brothers of our Council that have recently tested positive for the Covid-19 virus.

Vivat Jesus,
Richard Fitzgerald

Knights of Columbus Insurance

Ways to Pay for Whole Life

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values and the potential to earn dividends (which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible. To learn more about these products, our long-term care insurance, disability income or retirement products, please contact our Council's Insurance agent.

about our products.**

Dear Brother Knight,

The world is slowly beginning its return to the way things were - at least as much as it can. It'll likely be months before we know what normal looks like now. You've probably heard the saying attributed to an unsavory (to say the least!) historical figure that "there are decades where nothing happens, and there are weeks where decades happens."

It certainly feels that way now. We have crammed decades of changes into these last several weeks, and it's hard to know what change is permanent, and what changes will prove temporary.

Not everything is fluid though. I am struck by the resilience of the permanent things - our faith, our fraternity, our families. I'm sure you've seen the tremendous ways in which the Knights of Columbus in particular has proven itself equal yet again to this current challenge. Whether it was the establishment of the Leave No Neighbor Behind Initiative, or the launch of the diocesan loan fund, or just the every-day, every-city response of councils across the globe, we have responded as we always do: swiftly, powerfully.

Sure we've had to cancel some things. We've had to have some virtual meetings. We've had to stay a safe distance apart. But our distance hasn't diminished our unity, nor has it changed our impact.

I continue to be proud to be a part of this great organization - especially in moments like this. And I know you are too.

That's why, for me, being financially committed to the

Knights is such a point of pride. We all need life insurance. We all need to plan for retirement. We all need to think about and prepare for life's what-ifs.

But when it comes time to decide who to make those preparations with, and who to choose to buy those products from, we can choose to spend our money with the company who establishes a multi-million dollar loan funds for Catholic dioceses in their most desperate time of need, or we can go another route. We can choose to buy our insurance from a company who leaves no neighbor behind, or a company who has no real concept of who their neighbor is. We can prepare for our retirement with a company whose members are - once again - setting an example of true Christian charity for all to follow, or we can go in a different direction.

I would challenge you, whether you've never inquired or its been a long time - to take a fresh look at the Knights of Columbus as a trusted financial partner and see what products and services we may have that might help you and your family. As we all start to get back to things, I can meet with you in person or by video, whichever you prefer, and we can have stress-free, no-commitment conversation about the possibilities.

It's a way to further your commitment to all that we stand for, and - at the same time - obtain some much needed peace of mind in times like these.

I hope we'll chat soon. Vivat Jesus,
