WHAT TO PACK

PERSONAL ITEMS

Be sure to hand carry any medications or medical equipment you may need along with your passport and travel documents.

ELECTRONICS

Remember all your tech stuff: tablets, chargers, cameras, travel adapter, etc. All of our ships are equipped with standard, 110 and 220 volts AC outlets. On some ships, you will also find USB charging connections.

WHAT TO LEAVE AT HOME

Guests are not allowed to bring on board alcoholic beverages (except for wine and champagne, see below), firearms, weapons of any kind, ammunition, explosive substances, irons, steamers or any goods of a dangerous nature, nor animals of any kind, except service or guide animals.

WINE & CHAMPAGNE

You may bring bottles of wine and champagne on board; however these bottles are subject to a corkage fee (does not apply to guests who have booked a beverage package or selected one as part of Free at Sea). But remember, alcoholic and soft drinks are included with the Premium Beverage Package as part of Free at Sea.

BRING A CARRY ON BAG

Suitcases arrive at your room later on embarkation day and are collected the last night of your cruise (if you don't opt for self-assist). So don't forget a small overnight bag for carrying any necessary medication, valuables, important documents and need-to-have items.

HOW MANY SUITCASES CAN I BRING ON BOARD?

Each guest is allowed two pieces of checked luggage with a 22 kg maximum each. Luggage should be clearly labelled with your name, address and contact number. Luggage tags which you can print at home are included in your eDocs. If you're travelling by air, you need to check with the airline for baggage allowances and restrictions.

REMEMBER:

- Pack for the destination – Whether your destination is warm or crisp and cool, packing layers will be your best bet.
- Consider your excursions – Bring along closed-toe comfy shoes for your shore excursions and sports activities.
- Dress cruise casual during the day, and smart casual in formal dining rooms and speciality restaurants in the evenings.
- Kids 12 years and under are welcome to wear nice shorts in all our restaurants.
- Flip flops, baseball caps, visors and jeans that are overly faded with holes or tears and worn below the hips are not permitted in main dining rooms or speciality restaurants.
- We offer laundry and dry-cleaning services on board. Express, same-day service is also available.

WHAT TO EXPECT ON YOUR FIRST DAY

- Visit ncl.com or download the Cruise Norwegian app to complete the online check-in at least 72 hours in advance (including the e-muster drill). Then download and print your electronic documents (eDocs) that act as your boarding pass to onboard the ship.
- Be sure to bring a carry-on/backpack (packed with a bathing suit, sunscreen, camera, etc.) so you can enjoy everything the ship has to offer, prior to receiving your luggage.
- Arrive at the port at your allocated time and porters will take care of your luggage. Stroll into the terminal, clear security (just as you would at an airport) and proceed to the check-in desks, ensuring you have your travel documents and passport handy.
- Once checked-in you'll be given your Freestyle Card, which is also your stateroom keycard, and you will be able to board your ship. Be sure to keep your keycard handy, as you will need it every time you board or disembark the ship during your cruise.
- Start your holiday with a fun-first memory. Our professional photographers will take your photo, available for purchase later if you wish, as a wonderful memory of your cruise.
- Staterooms are usually ready by the afternoon, however, in the event that your stateroom is not ready upon boarding, take the time to explore your ship or grab some lunch.
- Pay attention to the overhead announcements for mandatory tasks or upcoming activities. Be sure to visit your assigned muster station to familiarise yourself with the location in the event of an emergency.
- Then head to the pool deck for your sailaway party. Bon voyage!

WHAT TO EXPECT ON YOUR FINAL DAY

THE NIGHT BEFORE

The night before debarking, or the morning of, you will receive your final bill for the cruise. For your convenience, you can review your bill over the course of your cruise on the Cruise Norwegian app.

LUGGAGE

You have two options for handling your luggage on debarkation day. You can self-assist, which means you will carry off all your luggage. If you decide to do this, you will need to be able to carry all your luggage down the gangway and through Customs.

Otherwise, you can pack your luggage the night before debarkation and put it outside your stateroom door with the coloured baggage tags provided firmly attached. The crew will collect it during the night, and it will be waiting for you in the terminal the next day. Remember to keep

an overnight bag for your personal belongings, travel documents etc. Once you make your way off the ship, you can collect your luggage and head to Customs.

CUSTOMS

In certain destinations, you will be given a Customs Declaration form the night before debarkation which must be completed and handed to the Customs Officer.

After Customs, leave the terminal and head to the designated transportation area to get your shuttle to the airport if you have arranged transfers or directly to your vehicle if you parked at the port. There are also taxis readily available.
