Firearm Ownership Report

New Resident Report of Firearm Ownership

Report of Intra-Familial Firearm Transaction

You MUST upload an image of your California Driver License or California ID card, but they don't tell you that. When you enter the details of the firearm, there is a button at the bottom of the page to upload images. That is where you upload the image of your identification.

You will receive a paper hardcopy confirmation of the registration in by First Class Mail.

In order for the registration to be completed, you will have had to go all the way through and pay by credit card. If you haven't been asked for your credit card, it's not complete.
