Hey Bex!

I have made reservations for a flight out and a hotel stay in Austin for the weekend and I would love for you to spend that time with me,

I think it's important that we talk things out and come to a compromise with this situation that we find ourselves in.

I can't wait to see you!! I land around 4:30 in Austin and I'll have to get my rental car before leaving the airport.

Ms Pattie will let dad know so he can work with you to get packed for the time we have.

I love you to the moon and back and I can;t wait to see you!!!

~Mom

I thought I've already made myself clear, I don't want anything to do with you and the fact that you're coming here to try and force me into this only proves that you don't respect me from here on out, I'm blocking you on everything, because while I was willing to give you a second chance if you waited for me to be ready and to do this on my terms, you pushing who can be reasoned with, and if you actually loved me, you would respect this decision, but you clearly don't. Have a great life, I won't be part of it.

Rebecca

We need to talk face to face.

I'm going out to SEE YOU so we can talk his out.

Daddy and Mary have to bring you to me because that's what has been requested.

I am asking you to cooperate so we can have some time together.

I told you I love you. You're my daughter-my child- and I will do anything to see you. Which is why I'm flying out there today.

Please be reasonable and meet me at the airport tonight for the weekend. We'll talk it all out and figure out where to go from here

Mom
