I will not communicate over email when she's there.  
Have her call me after her dance class

I have done nothing. She turned off her phone after your repeated calls. Shes in dance class and I'm pretty sure she wants to talk through email... at least that's what she said twice now.

You created this situation, maybe try listening for once.

I need to talk to Becca.  
You can't cut me out like this and expect me not to want to talk

Do what you will. She's not interested in leaving unless it's to get her stuff and come back.

As far as your relationship, magistrate Newman warned, I warned you even tried to help... then you go and pull that box stunt. You could not have done anything worse, this is gonna take a long time to repair...

Goodnight

Cops or no cops. Make your choice.  
The order states I pick her up at 7:15.

You are not concerned with her mental health and well being. Your concern is with destroying my relationship with Becca.

There will be no drop off. Given the exchanges and emotions I feel a time out in order. Rebecca's refusing to go back unless it's to pick up her stuff and come back, she also has an emergency appointment with Miss Katie tomorrow. We have to be concerned with Rebecca's safety, well being and mental health.

thanks,

David Parker
