The BS you started and refused to understand how it would impact Becca?
But go ahead and inconvenience me and her when you'll actually be driving through RI to get to the airport and it would be just as easy to drop her off.
Your logic astounds me sometimes. But it's not about Becca anymore than it's about me.
Have a safe trip

I can't change flight time. Today was about Rebecca and Libby, I'm not going to screw with them. They worked together today on school work and are enjoying they're time together watching a movie and should not be negatively impacted by this BS anymore than it already has.

I've informed her of your arrival tomorrow and she is fine with it.

Goodnight.

Wow.
First you'll drop her off. Then it's no you pick her up ("I'm NOT going to argue with you")
THEN it's 10:00 PM pickup because you won't rearrange your schedule given the circumstances.
THEN you're not even going to be there when I pick her up tomorrow morning.
Way to coparent Dave.
Way to coparent

Ok, I will make sure she sets her alarm. Text her when you arrive, I won't be here at that time.

Thanks,

No... you pick up here at 10pm or pick her up at buds for whatever time in morning but you are driving to pick her up.

Goodnight.

That's really too late.
I can be there at 8:00.
10:00 is not acceptable

I am NOT arguing with you, pick her up or don't, she is spending day with her friend and this is what they arranged and wanted.

If you can't pick her up for 10, she can crash in her room and you can pick for morning.

Thanks,

Unacceptable. You said you'd drop her off.

Perhaps you can bring Becca to RPD before you bring Libby home.

Rebecca and I will be dropping Libby off to her mom for 930pm. You may pick her up for 10pm.

Thanks,

Ok well, the judge said we can reach our own agreement. I would like to take Rebecca on trip, I will wave my birthday and be 100% available for Bex during her distance learning.

Is this agreeable or shall we have courts award makeup time?

Please discuss with your attorney I need an answer soon. If the answer is no I have to drop Rebecca off tonight.

Thanks,
