

My Sweet Mother, Cleo Grush

*God gave to me the Sweetest Mother
that has ever walked this Earth!
Her soft spoken words and gentle ways
guides my sense of Worth.*

*She welcomes each day
with her bright cheerful smile
and happiness in her soul
a living example of Patience and Love
far better a gift...than Gold.*

*She's raised three kids, my Dad, and a menagerie of pets,
she's intelligent, honest and wise
she sees more in Us (family) than we deserve
her values and sense of humor are un-compromised.*

*In my Mother's career she was quite well known
the Button Lady, a Chef, A writer, and a Sales woman,
traveling 5 states giving lectures, writing cook books,
and doing food Photography. (Eckrich)*

*Still the cook and the seamstress; she never complains
the consummate Optimist letting Love be her guide
my Mother gives all with her heart
she will always be the Pillar in our lives.*

*Your Devoted Daughter, Sharon
