JOB POSTING

General Laborer

Manchester, NH

Full Time

Posting Date: 07/12/2023

Counter Pro, Inc. was founded in 1988. We are one of New England's largest manufacturers of postform, custom square edge laminate and solid surface countertops. We are looking for an entry level or experienced postform cutter for our warehouse in Manchester, NH.

Job Details

- Capable of completing tasks and orders with minimal supervision from the Foreman
- Thorough understanding of CPI products and terminology as it relates to our products (Training will be provided)
- Complete understanding of shop drawings
- Pulling stock from inventory and placing new inventory orders
- Safe operation of table saw, panel saw, and other various hand operated tools
- Maintain production levels and turnaround time as set by the employer
- Days start around 6:00am with overtime available during peak periods
- Vacation time and paid holidays (After 6 months of employment)

Requirements

- Experience with forklifts is preferred but not required
- Reliable transportation required; valid driver's license preferred
- Ability to lift 50lbs
- Strong attention to detail
- Must be reliable and punctual
- Drug screen required

Wage is based on experience

Apply
