

Overall LTRG Operations Section – Staffing Overview Summary

**Staffing Overview**

This job descriptions for compensated, primary recovery roles are included in this directory. Summary and relevant notes below.

<b>Role</b>	<b>Organizationally Supported By:</b>	<b>Notes</b>
LTRG Executive Director	Sinclair Community College	First hire. Full time, dedicated
Construction Coordinator	Lutheran Social Services initially and subsequently Oesterlen	Full time, dedicated
Construction Manager	Lutheran Social Services initially and subsequently Oesterlen	Full time, dedicated but we only had this filled for about 6 months of the recovery period due to difficulty in finding and keeping staff in the role
Volunteer Coordinator	Sinclair Community College	First hire. Full time, dedicated
Disaster Case Management Supervisor	Catholic Social Services	Full time, dedicated but we only had this filled for about 3 months. After that our most experienced disaster case manager managed the team’s work.
Disaster Case Managers – Core Team	Catholic Social Services, UMCOR	Full time, dedicated. Initial case managers were hired by CSS. Two additional case managers were hired by UMCOR. All resided at CSS facilities and worked collaboratively with the same processes and tools
Disaster Case Management – Additional team members as a result of FEMA CM declaration	FEMA/American Red Cross	These resources came in about 8 months post-disaster as a result of the FEMA CM declaration and a resulting FEMA-ARC Interagency Reimbursable Work Agreement (IRWA). Remote resources but worked collaboratively with the Core Team using same processes and tools. Brought great data capabilities to the team as well as resources to do call-down assessments of all survivors that had applied to FEMA and/or Red Cross for assistance, further ensuring that needs were met.
