

Specializing in providing complete custom interconnect solutions to our customers.

WEEE Directive 2012/19/EU Waste Electrical Electronic Equipment (WEEE) Declaration of Compliance

A1 Cables is dedicated to providing high quality cables and hardware that meet environmental regulations through the European Union Directive 2012/19, WEEE.

We certify that A1 Cables conforms in all aspects to the current provisions of the European Economic Area (EEA) with respect to the Directive 2012/19/EU of the European Parliament and of the Council of 4 July 2012 on the control of major-accident hazards involving dangerous substances amending and subsequently repealing Council Directive 96/82/EC.

A handwritten signature in black ink that reads 'Steven P. Webster'.
