## Shrimp Boil Fundraiser Event 2024 Coverage

Our fundraiser brought folks from near and far to eat, listen to live music and bid on silent auction items. The aerial photo was taken by Andy Dunton at the beginning of the fundraiser. All the peeps are under the tent or inside, dining. A good time was had by all and we thank everyone who attended and made it a success. Proceeds support the operation of the museum. We want to thank our many Sponsors: Tommy O'Connor, Dora Sullivan, Dominion Concrete Contractors, Inc., PepUp, Diane & Sonny Moreno, Mike & Jennifer Ash, John & Raye Griffith, Dave & Kathy Griffith, Lisa Guzzardo & Chip Moore, Metty Pellicer & Mark Usry.

We also want to thank those who donated items to the silent auction: Baileys Bait and Tackle, Betsy Doherty, Dennis Saidat, William Dyas, Andy Dunton, Will Brown @ Shore Oyster Co., Dora Sullivan, Tommy O'Connor, Scottie Neville, Dave Clark, Carol Carnegie & Nan Carlton.

We are considering a new and different Fundraiser next year!

Project*

## Rail Car Painting Progress

We are proud to share this photo showing the exterior painting of the rail cars & Pilot House of Capt. Edward Richardson RR Barge. The rail car logos will be reproduced by ES Signs and applied later. The Gov. Jetty House has been restored and painted as well. There is so much more that needs to be done to preserve Cape Charles` railroad history. If you can, please consider a donation by clicking on the photo. Choose an amount and specify it is for railroad project. We have a tanker & box car that need attention.

Thanks for your support!

*Oral History Videos*

## Celebrating the Lives of Two Cape Charles Icons

Cape Charles lost two, larger than life icons in the last year. They are near and dear to our hearts. Lloyd Kellam passed on Oct. 2, 2023 and Patty Spencer McKlusky passed on April 19, 2024. They are missed beyond measure.

We find it increasing urgent to record the oral histories of our beloved residents. We were blessed that Cindy McKlusky agreed to let us interview Patty just days before she moved to Florida. Our thoughts and prayers

are with Sue Kellam & Lloyd`s family and the family of Patty. You can view their oral histories on our YouTube channel by clicking on photo.
