We appreciate your patience during the COVID-19 Pandemic.

## Attention Providers!!

Thank you to everyone that participated in our May Cooped Up Challenge

Wow...it was a huge success and we know the children enjoyed the pizza picnic parties!!

**Happy Father's Day**

Mission Statement: Provide quality childcare with an in-home, play based learning environment for every individual child. Recognizing each child is unique and he/she has different abilities, which enable every child to attain independence at their own rate of development.

## PROGRAMMING

### Magnetic Sandcastle

You will need: sandpaper, pencil, scissors, magnet strips, metal cookie sheet

Start by drawing shapes on the back of the sandpaper then have the children cut them out or assist them in cutting out the shapes.

Next cut the magnetic strips and stick a piece on the back of each piece of sandpaper.

Talk to the children about their sensory experience and also about the different shapes they are using. Allow them to explore.
