Week 10 proved to be a tough week w/ the average correct picks being 8.41 out of 15 for all. Wayne Hogon took the solo lead again by 1 game over GG Cutter. Defending Champion, CJ Troyer is making another late season surge.... just like last year, and stands in 3rd alone only 2 games back. Talmadge Tobias is in 4th alone and is 3 games back. Carolyn Klaege, David Rankin and Lyle Wescott round out the top 5. With only 3 weeks remaining in the regular season and a full bowl slate coming up, it is still anyone's contest to win.
