

Week 12 was another tough week w/ the average correct picks being 8.02 out of 15 for all. With 1 week left in the regular season portion of the contest, there are 16 prognosticators within 6 games of the lead. GG Cutter kept a 1 game lead over Wayne Hogon. Talmadge Tobias did ease up into a tie for 2nd overall with another solid week. Three are tied in 4th and only 2 games back and they include 2 former champions and relative newcomer Lyle Wescott. Paul Krouse and Steve Williams are T7 while Lee Glaze and David Rankin round out the top 10. With only weeks remaining in the regular season and a full bowl slate coming up, it is still anyone's contest to win. The Top 20 after Week 12 are:
