# top 20

The start of the 2023 season has proven to be as easy as last year with the same exact leading score in our inaugural Top 20. While 45-15 is the exact same leading score after week 5 last year, some of the names have changed but the perennial pundits are all still there looming. Wayne Hogon leads by 1 game over Chip Chase. Past Champion Carolyn Klaege is T3 along with Paul Krouse & Vince Watkins & are 2 games back. Glyn Bethune, GG Cutter, Doug Griffin, Talmadge Tobias, CJ Troyer (2022 Champ), & Steve Williams are all T6 & only 3 games back. Hampton Gardner, Lee Glaze and Tony Hubbard round out the top 10. Picks only get tougher from here! The Top 20 after Week 5 are:
