top 20

Week 6 proved to be one of the tougher weeks of the year with the average correct picks being only 8.11 out of 15 for the group. Nonetheless, Wayne Hogon was able to hang on to his top spot and still has a 1 game lead but it is now over GG Cutter after GG had a great week. Chip Chase sits alone in 3rd place and is 2 games back. Lee Glaze and Carolyn Klaege are knotted in 4th place and are 3 games back. Hampton Gardner, Doug Griffin, Paul Krouse, Talmadge Tobias, CJ Troyer and Vince Watkins round out the top 10 and all are only 4 games back. As we just pass the halfway point in the season, the picks tend to only get tougher from here! The Top 20 after Week 6 are:
