top 20

Week 7 proved to be tied for the toughest week of the year with the average correct picks being only 7.33 out of 15 for everyone. Nonetheless, Wayne Hogon still hung on to his top spot and still has a 1 game lead over GG Cutter. Lee Glaze and Carolyn Klage are T3 and are now 2 games back. Chip Chase, Hampton Gardner, Doug Griffin, Paul Krouse & CJ Troyer round out the top 5 and all are only 4 games back. We are now in the back stretch of the season and the picks tend to only get tougher from here! Note that 7 of our Top 20 including 4 of the top 5 had their worst pick weeks of the year and had their score from Week 7 dropped. The Top 20 after Week 7 are:
