

CTPS General Meeting November 19, 2022

This meeting was held via Zoom. We had 19 attendees.

I was late to the meeting, therefore I am not sure what was discussed prior to my arrival. Here is what I heard.

Workshops

- It is now common practice that workshops are conducted via Zoom. We think this is being done because it is so much easier for the artist.
- CTPS has roughly \$1400 in donations for equipment. Esther and Debbie will determine what we should buy next that will further enhance our presentation experience.
- Julia reminded us to check out the New Orleans Drawing Group. They meet Thursday at 4:45 to 7:45. Here is a Facebook and Instagram link for those interested.

Other Topics:

- Jan Frazier announced that she will have a studio sale December 3, 2022.
- We discussed Central Texas Pastel Society on Instagram. Esther explained that if we use #centraltexaspastelsociety in our posts, it will appear on the CTPS page. The hashtag is simply a search feature. The board will discuss at a later date if we should use Instagram.
- Challenge Paintings were shared. We had 6 challenge paintings.
