

RACE TO THE FINISH

PMES FUNDRAISER 2023/2024

SEPTEMBER 22ND-OCTOBER 4TH

Will You Help Us?

This is our BIGGEST fundraising event of the year. We're on a RACE TO THE FINISH! For the last few years, we have strived to provide more permanent structures to PMES. Last year, we made a lofty goal of adding a track to the lower playground. This would be the only paved area on the lower playground. A track could be utilized by ALL students at PMES!

Due to the rising cost of construction (and everything else these days), we knew it was going to be a huge goal! We were able to meet 55% of our goal last year. This year we are continuing our efforts to add that track and are launching our "Race to the Finish" fundraiser this month. We hope to see our PMES students running, walking or wheeling around the track this spring!

TURN IN DAYS

We will hold five turn-in days* on which students can bring in any funds raised. When a student turns in \$20 or more on a given day, the student will earn the daily prize and be entered into a drawing for a chance to win exciting rewards! The turn in days will be:

- Monday, September 25;
- Wednesday, September 27;
- Friday, September 29;
- Monday October 2; and
- Wednesday, October 4.

*For online donations, we use 8:00 a.m. on turn in days as the cut off to be eligible for daily prizes.

Here's how our fundraiser works:

Raise Funds

We're asking families to raise funds in the way that works best for you. Some students hold bake sales, walk dogs or do household chores. Some families ask relatives or neighbors to contribute toward their goal.

How to Donate

We have two ways to donate this year.

Option 1: We are excited to offer an **online option** for making donations! We have partnered with Get Movin' Fund Hub to provide a personal online experience that you can tailor to your child. You will create a page for your child that you can send to family and friends to help broaden our donation base. If you have multiple children at PMES, you can either create a page for each child or one family page. Online donations are treated just like turned in cash or check when awarding prizes! There is a \$10 minimum for online donations.

Follow this link to setup your personal online donation site:

You can also scan this QR Code to get started:

Option 2: Each student will also receive a fundraiser envelope. On turn in days, students will place their envelope (with cash or checks) in the fundraiser basket in their classroom.

Students may choose to utilize both envelope and online donations.
