President's Message

I'd like to personally welcome everyone to the PPBA 2024 Winter Show. We pride ourselves on providing a top-notch show for all to enjoy. The Lodi festival grounds are fabulous and serve us well as an event center for the PPBA show. This year once again we will host the popular Saturday night banquet. Make sure to reserve your spot ahead of time and don't miss it!

PPBA is renowned for using some of the best judges in the country and we provide competition in all classes that is the best in the west. We hope you will come and show with us and enjoy the weekend.

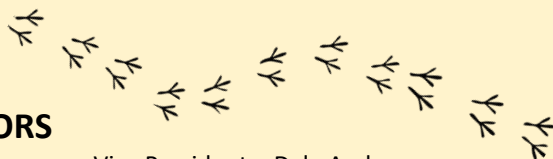

For those that are traveling and need lodging we will be using the Fairfield as our host hotel so make sure to look over the lodging section to get details on the hotel. Also, RV's are welcomed with power/water hookups at festival grounds for \$35 a night.

We will be hosting a great Breeders Raffle, so make sure to check out the birds offered there and get some tickets. In addition, we are offering a raffle drawing. This is for a GQF 1550 Hatcher with humidity tank & float (\$1000 value). We are only selling 52 tickets at \$20 a ticket. Once the 52 tickets are sold we close the raffle. The drawing will take place at the show and the winner must make arrangements to take the item home from the show.

A huge shout out goes to our show sponsors Stromberg's and Nutrena. The support from vendors like these is greatly appreciated. In conclusion I'd be remised if I didn't mention the show staff and PPBA board for all the hard work that goes into preparing for a show like this. You all Rock!!! If anyone is interested in becoming more involved, make sure to let us know.
