

# Student Pilot Materials / Equipment

- FAA Handbooks
  - Airplane Flying Handbook FAA-8083-3B
  - Pilot's Handbook of Aeronautical Knowledge FAA-8083-25B
  - CURRENT FAR/AIM
  - Copy of PTS or ACS for certificate requested
  - Sport Pilot Oral Exam Guide (Private Pilot Works Fine from ASA)
    - Other guides such as "Checkride Guides" will work well
  - VFR Sectionals and A/FD
    - See your CFI for which one is required and when to purchase.  
A/FD are only valid for 56 days and 6 months for sectionals
- Mechanical or Digital e6b Calculator
- Headset
  - David Clark, Lightspeed, Bose, etc.
- Writing Utensils
  - Pens, Pencils, White-Out, Highlighters
- Note Taking Materials
  - 3 or 5 subject notebook for note taking
- NON POLARIZED Sunglasses
  - Polarized sunglasses distort the instrumentation in the cockpit
- Logbook
- Kneeboard
- Flight Bag
- Additional Materials as Requested by CFI
