

Levels of Consciousness: Actors - November 2022

The souls of actors.

Below are the average levels of consciousness (Dr David Hawkins' Scale of Consciousness from 0 - 1000) for various actors and performers, as at November 2022.

Levels of Consciousness: Actors - November 2022

Brad Pitt's light levels continue to rise and he has now reached over 700 which is the level of sages and is the level reached by Jim Carrey and Keanu Reeves this month. Clint Eastwood, Ice Cube and Johnny Depp have also experienced increases, and Rob Schneider and Robert de Niro have fallen slightly which, as we have seen previously, is not an uncommon experience during ascension.

- Charlie Sheen 550
- Brad Pitt 716
- Clint Eastwood 502
- Denzel Washington (reading not possible)
- Ice Cube 672
- Jim Carrey 709
- Johnny Depp 292
- Keanu Reaves 740
- Leonardo di Caprio (reading not possible)
- Michael Douglas (reading not possible)
- Rob Schneider 450
- Robert De Niro 561
- Robert Downey Junior (reading not possible)
- Samuel L Jackson (reading not possible)
- Tom Cruise (reading not possible)

Please note that the readings that were not possible obtained the following results:

- Levels of consciousness zero - negative
- Level of consciousness more than zero - negative.

We would typically see this kind of reading when the soul has left the body. Again, there have been no reports of the deaths of either Denzel Washington, Leonardo di Caprio, Michael Douglas, Robert Downey Junior, Samuel L Jackson or Tom Cruise, we do not understand this result.

We will be issuing an article in December that lists other well known people whose levels of consciousness do not resonate, despite being seen in the public eye.
