Levels of Consciousness: Actresses - July 2022

Note how some actresses have significantly fallen slightly and others, such as Letitia Wright, have increased significantly since our last edition. A lot of people are being affected by the struggle between light and dark in the world which has led to a push-pull between the energies.

Please note that the readings that were not possible obtained the following results:

- Levels of consciousness zero - negative

We would typically see this kind of reading when the soul has left the body. However, since there have been no reports of Jennifer Anniston or Angelika Jolie's deaths, we don't understand this result.
