

Levels of Consciousness: Actresses - July 2023

The souls of actresses.

Below are the average levels of consciousness (Dr David Hawkins' Scale of Consciousness from 0 - 1000) for various actresses and performers, as at July 2023.

Levels of Consciousness: Actresses - July 2023

July's report is created after we have passed the summer solstice on June 21st. For all level of consciousness reports this month we have seen some significant changes, with actresses no exception. The most notable change is with Samaire Armstrong whose levels have risen by nearly 100 points from 634 in May 2023 to 727 this month.

- Alicia Silverstone 555
- Angelina Jolie (reading not possible)
- Catherine Zeta Jones (reading not possible)
- Doutzen Kroes 353
- Jennifer Anniston (reading not possible)
- Jennifer Lopez 2
- Jessica Biel 674
- Katy Perry (reading not possible)
- Kerry Washington (reading not possible)
- Letitia Wright 360
- Mayim Bialik 615
- Rosanne Barr 562
- Salma Hayek 367
- Samaire Armstrong 727
- Zoe Saldana 622

Please note that the readings that were not possible obtained the following results:

- Levels of consciousness zero - negative
- Level of consciousness more than zero - negative.

We would typically see this kind of reading when the soul has left the body. However, since there have been no reports of the deaths of Angelina Jolie, Catherine Zeta Jones, Jennifer Anniston, Katy Perry or Kerry Washington, we don't understand this result.

Please see our Article Not Everything is As it Seems: People that lists other well known people whose levels of consciousness do not resonate, despite being seen in the public eye.
