

Levels of Consciousness: Actresses - May 2022

The souls of actresses.

Below are the average levels of consciousness (Dr David Hawkins' Scale of Consciousness from 0 - 1000) for various actresses and performers, as at May 2022.

Levels of Consciousness: Actresses - May 2022

Note how some actresses have significantly fallen in consciousness since our last edition. Doutzen Kroes was 477 and Letitia Wright was 495 and Roseanne Barr was 515 and Samaire Armstrong was 582.*

*Other actresses have isignificantly increased***: Alicia Silverstone was 213 and Jessica Biel was 252 and Mayim Balik was 486 in [March 2022](#).*

In the past 6 weeks, we have been observing a lot of dramatic changes up or down in the population as a whole; we don't yet know the reasons for this.

- Alicia Silverstone 509 ***
- Angelina Jolie (reading not possible)
- Catherine Zeta Jones 4
- Doutzen Kroes 225 *
- Jennifer Anniston 0
- Jennifer Lopez 0
- Jessica Biel 552 ***
- Katy Perry 0
- Kerry Washington 2
- Letitia Wright 153 *
- Mayim Bialik 623 ***
- Rosanne Barr 314 *
- Salma Hayek 0
- Samaire Armstrong 418 *
- Zoe Saldana 1
-

Please note that the readings that were not possible obtained the following results:

- *Levels of consciousness zero - negative*
- *Level of consciousness more than zero - negative.*

We would typically see this kind of reading when the soul has left the body. However, since there have been no reports of Angelika Jolie's death, we don't understand this result.
