

Levels of Consciousness: Actresses - November 2022

The souls of actresses.

Below are the average levels of consciousness (Dr David Hawkins' Scale of Consciousness from 0 - 1000) for various actresses and performers, as at November 2022.

Levels of Consciousness: Actresses - November 2022

We are still seeing variation in light levels with many actresses increasing and notably Roseann Barr's levels of consciousness have fallen significantly. From what we have observed, this variability seems to be an integral part of the ascension path which is

certainly not a direct route from A to B, rather than full of meandering pathways and many apparently dead ends!

What is happening is that, as our light bodies increase, we are often struggling to maintain the new vibrational set point and reverting 'back to type'. Many of us are finding in our personal lives that we are going through periods of difficulties and intense experiences of limiting emotions, where nothing seems to go right. A few weeks later, we experience periods of calm, heightened awareness and revelations. Then just as we feel we can breathe and life is wonderful again, the intensity starts up again. This happens as our light levels increase and the discordance between our new higher light vibration and the separate lower frequencies of limiting emotions causes huge stress and confusion, often resulting in us retreating back to the original state we were comfortable with. The actresses on this list are no exception!

- Alicia Silverstone 526
- Angelina Jolie (reading not possible)
- Catherine Zeta Jones (reading not possible)
- Doutzen Kroes 421
- Jennifer Anniston (reading not possible)
- Jennifer Lopez 2
- Jessica Biel 624
- Katy Perry (reading not possible)
- Kerry Washington (reading not possible)
- Letitia Wright 339
- Mayim Bialik 662
- Rosanne Barr 331
- Salma Hayek 2
- Samaire Armstrong 632
- Zoe Saldana 547

Please note that the readings that were not possible obtained the following results:

- Levels of consciousness zero - negative
- Level of consciousness more than zero - negative.

We would typically see this kind of reading when the soul has left the body. However, since there have been no reports of the deaths of Angelina Jolie, Catherine Zeta Jones, Jennifer Anniston, Katy Perry or Kerry Washington, we don't understand this result.
