

# Luxor System Control

**LUXOR®** Provides zoning, dimming, and optional color creation of FX integrated fixtures and Luxor accessories

**Wi-Fi Module** Allows for optional wireless control of Luxor controllers

**Smartphone App** Allows for easy wireless control of Luxor groups, themes, and colors

**LSAT with Luxor Linking** Luxor Linking allows users to hardwire up to nine Luxor Satellite controllers, while maintaining a single point of control

**LAN Module** Allows for reliable hardwire connection to router and improved wireless control of Luxor controllers

**LCM-HV Cube** Allows zoning and dimming of line voltage fixtures

**Router** Allows wireless communication from your smart device to your LUXOR controller

**ZD MR-16** Drop-in lamps convert incandescent fixtures into energy-efficient LED fixtures

**LCM-LV Cube** Allows zoning and dimming control to any low voltage fixture

**LCM-RLY-010V** Cube Allows LUXOR control of relay-operated elements

*The Luxor controller and accessories provide convenient total lighting control for outdoor living spaces.*
