OUR MISSION:

To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens.

PROGRAM FEES FOR AFTER SCHOOL PROGRAM:

Annual Registration and Weekly Program Fees vary by site- see website for pricing. For 21st CCLC Clubs only there is a \$25.00 annual membership fee per child which covers the current school term, beginning the first day of school in August and ending on the last day of summer camp. For scholarship assistance, please see Site directors.

REGISTRATION & ENROLLMENT REQUIREMENTS:

Registration is completed online at bgcgreateraugusta.org for Boys & Girls Club sites and at greatfuturesacademy.org for Great Futures Academy sites. All supporting information and documentation must be completed prior to attendance.

Boys & Girls Clubs of Greater Augusta programs are open to students enrolled in grades K -12th, however, grades served vary by site (see website for details). Youth and parents may also self-select into specialized programs such as sports leagues, art programs, STARS, and mentoring. Instructions for special program registration will be given in the Club by site directors as programs become available. In cases where there are limited spots for specialized programs, priority is given to students who meet two or more of the following criteria:

- Receives free/reduced-price lunch
- Is a grade or more behind his/her peers in math, reading and/or science
- Has been referred by school in need of extra assistance in math, reading and/or science
- Has been referred by school or other agency for behavioral reasons

Boys & Girls Clubs of Greater Augusta helps youth achieve academic success, good character and citizenship and healthy lifestyles. To do so, we align our after school program activities with topics covered in the regular school day and the Common Core Georgia Performance Standards. To help us better serve your child and to meet the reporting requirements that enable us to keep our membership fees low, Boys & Girls Clubs of Greater Augusta must have access to report cards/progress reports, IEP's or 504 Plans (if applicable), and permission to speak with classroom teachers for your child. All information is kept confidential and only report as a group (not by individual child).

Because many Clubs have waiting lists, your child's spot may be given away if they are not attending regularly and you have not communicated with the Site director.

ILLNESS POLICY:

Out of concern for our members and staff, if your child is sick or contagious, he/she will not be allowed to come to the Club. If your child becomes sick while at the Club, the parent or guardian will be notified to pick him/her up.

If no one can be contacted and medical treatment must be provided, the Site director will notify emergency medical services. Please update emergency contact information anytime you have a change.

SAFETY PROCEDURES:

All staff are trained in emergency response to severe weather and crisis management situations.

In the event of unforeseen inclement weather during the day, Boys & Girls Club sites will be closed in accordance with their county's school closings. Evacuation plans are posted at all facilities. All Boys & Girls Clubs sites conduct monthly safety drills for evacuation, tornados, hurricanes, fire, and lockdown. For current information during inclement weather or emergency situations; parents may call the Club directly, call the administrative office at 706.504.4071, check the website at www.bgcgreteraugusta.org or Facebook at www.facebook.com/bgcgreteraugusta.

An adult staff member is assigned to each program area. There may be additional volunteers during the day that will assist the staff in their program areas. At no time will a child be left unsupervised while in our facility or on a planned field trip. At no time will a child be left alone with a volunteer. All volunteer activities are monitored by staff.

TELEPHONE USAGE:

Club members will only be able to use the phone if there is an emergency. Club members are encouraged not to bring cell phones in the Clubs. The Boys & Girls Club is not responsible for any loss, broken or stolen phones.

TECHNOLOGY POLICY/ACCEPTABLE USAGE POLICY:

Boys & Girls Clubs of Greater Augusta recognizes the value of computer and other electronic resources to improve student learning and enhance the administration and operation of its clubs. To this end, Boys & Girls Clubs of Greater Augusta encourages the responsible use of computers; computer networks, including the Internet; and other electronic resources in support of the mission and goals of the Boys & Girls Clubs of Greater Augusta.

Because the Internet is an unregulated, worldwide vehicle for communication, information available to staff and students is impossible to control. Therefore, Boys & Girls Clubs of Greater Augusta adopts this policy governing the voluntary use of electronic resources and the Internet to provide guidance to individuals and groups obtaining access to these resources on Boys & Girls Clubs of Greater Augusta computer equipment.

Use of the Boys & Girls Clubs of Greater Augusta network to access or process inappropriate material, inappropriate text files (as determined by the system administrator) or files dangerous to the integrity of the BGCGA network is prohibited.

Downloading, copying, otherwise duplicating, and/or distributing copyrighted materials without the specific written permission of the copyright owner is prohibited, except that duplication and/or distribution of materials for educational purposes is permitted when such duplication and/or distribution would fall within the Fair Use Doctrine of the United States Copyright Law (Title 17, USC).

HARASSMENT & ABUSE POLICY:

Harassment on the basis of race, color, religion, sex, age, national origin, disability, marital status, veteran's status, sexual orientation, or other protected status is defined as conduct which has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment. It is our policy to provide at all times, an environment free of harassing conduct, better enabling us to focus on and fulfill the mission of the Club. Boys & Girls Clubs of Greater Augusta will not tolerate any form of harassing conduct that is based upon an individual's race, color, religion, sex, age, national origin, sexual orientation, disability or marital status. The term harassing conduct also includes sexual advances, requests for sexual favors and other conduct of sexual nature. Any employee violating this policy will be subject to corrective action, up to and including dismissal/termination of employment. The policy applies to all employees and participants of the Club. Any employee, including any supervisor or agent, who is found to have engaged in harassing conduct will be subject to appropriate discipline, up to and including dismissal/termination of employment. All employees have a duty to report any harassing conduct experienced or observed. In the event an employee or participant suspects harassing conduct of any type, Boys & Girls Clubs has an open door policy and encourages employees and participants to share their questions, concerns, suggestions or complaints with someone who can address them properly. In most cases, an employee's supervisor is in the best position to address an area of concern. However, if an employee or parent is not comfortable speaking with the Club supervisor or is not satisfied with the supervisor's response, they are encouraged to speak with someone in the Human Resources Department or anyone in management whom they are comfortable approaching. Supervisors and managers are required to report suspected violations of the Code of Conduct to the President/CEO who has responsibility to investigate and resolve all reported violations. If the complaint is against the Executive Director, it should be reported to the Board President. For participants, concerns should be brought to any staff member with whom they feel comfortable expressing their concerns. Staff members are required to communicate concerns to their supervisor and/or a member of management. Concerns of participants and/or parents follow the same investigation process. All Club employees are required by law (Georgia Code) to report all suspected

cases of child abuse as mandated reporters. Child abuse is any act or omission or commission that endangers or impairs a child's physical or emotional health and development. The act of inflicting injury or allowing injury to result, rather than the degree of injury, is the determinant for intervention. Club staff follow specific procedures including clarifying with student, notifying supervisor, and notifying authorities.
