Prep, 1 & 2 families please support:

Cake Stall

The success of this year's "Family Favourites" Cake Stall is in your capable baking hands! All Prep & year 1 & 2 families are asked to cream, whisk, fold, ice & decorate to produce tasty treats to be sold at the cake stall. Other families are also welcome to contribute - the more cakes, the merrier our fete will be!

If you don't bake, please ask grandparents, relatives, neighbours or friends to contribute - perhaps offer to pay for the ingredients, or get together for a baking lesson.

Packaging for your offerings will be available for collection from the Fete Hub, lower A block, from Sat, 20 May, 9am-11am.

Please complete [the makers' survey](#) so we have enough for everyone!
