*The U.S. Consumer Product Safety Commission's Office of Compliance is aware of the following organizations, listed alphabetically, that have assisted firms with their development and implementation of product safety recalls. The CPSC does not approve, certify or endorse any of these organizations. Other organizations not listed may also exist and can assist a company in product recall development and implementation. An outside firm is not required to undertake a product safety recall. Last updated 12/09/2003*
