Please Note:

- 1) Recyclable materials are commodities and, as such, their market values are subject to change on a monthly basis. Credits and Tip Fees listed are published monthly by Conigliaro Industries.
- 2) Conigliaro Industries is committed to ensuring all trucks enter, dump, and leave our yard within 30 minutes.
- 3) Tip Fee payments due to Conigliaro Industries are C.O.D. Customers that submit a completed credit application may be eligible for Net 30 day terms.
- 4) Material Credit Payments due Customer are paid monthly.
- 5) There is a minimum charge to drop off Tip Rate materials of \$ 150.
- 6) Conigliaro Industries accepts and recycles 150 different materials. For a complete listing, see our web site: www.conigliaro.com/marketwatch or contact us.

Driving Directions to Conigliaro Industries, Inc.

From the Massachusetts Turnpike:

Take Exit 13, "Route 30, Framingham/Natick". Go through the tolls, bear right onto Route 30 West. Follow until you intersect Route 126 after going by the Framingham mall on the right. Take a left onto Route 126 towards Framingham center. Follow all the way to Route 135 in the center at the railroad tracks. Take a right onto Route 135 West "Waverly Street". Go through one set of lights at the Gulf station, then turn right into "Waverly Business Center Plaza" (this is only 1/4 mile from Route 126). Conigliaro Industries' entrance may be found at the left side of the front of the building.

From Route 9:

From Boston head west, go past the Natick Mall, Ken's Steak House and the WalMart Plaza, up over a hill. Then take Route 126 towards Framingham center (you have to go under the overpass to take this Route 126 exit off Route 9). Follow all the way to Route 135 in the center at the railroad tracks. Take a right onto Route 135 West "Waverly Street". Go through one set of lights at the Gulf station, then turn right into "Waverly Business Center Plaza" (this is only 1/4 mile from Route 126). Conigliaro Industries' entrance may be found at the left side of the front of the building.
