

TOLEDO ICE CREW HOCKEY PROGRAM

2023-24

Entering 6th Season

Overview: The Toledo Ice Crew hockey program gives boys and girls ages 5 to 14 years the opportunity to learn how to ice skate and play hockey. No experience required. The program provides all equipment the players may need to participate in the program. The program will feature 4 divisions this season... 6U, 8U, 10U, & 12/14U. Session will run early December thru late March (weather permitting). The vast majority of ice times will be at Ottawa Park Ice Rink. Ice times are primarily on Sundays (occasional weeknight ice times).

There is no fee to participate in the Toledo Ice Crew program, which was developed specifically for families who cannot afford the cost of the sport, but who want to give their child a chance to learn to skate and play hockey. Full equipment is provided and must be returned at end of season. Players may keep jersey & stick. Email Mike at mmanko@sylvaniatamoshanter.com for more details.

Program Goal:

Create a healthy, sustainable and equitable ice hockey community.

Who We Are:

The Toledo Ice Crew is a partnership amongst the City of Toledo, Toledo Public Schools, Toledo Police Hockey Team, Toledo Fire Department Hockey Team, Toledo Walleye Hockey Club (ECHL), Sylvania Tam-O-Shanter, and Sylvania Youth Hockey.

Ottawa Park Ice Arena is an outdoor ice arena owned by the City of Toledo and managed by Tam-O-Shanter. Ottawa Park is located near city central and is the primary facility for the Toledo Ice Crew.

The Initiative:

Increase opportunity and participation by providing access to ice facilities, equipment, skating and hockey programs to girls and boys in underserved (people of color and females in particular) communities. The Toledo Ice Crew is not merely about athletics. It is an opportunity to provide at-risk youth with a chance to learn the great sport of ice hockey, develop lasting friendships, receive on-ice and off-ice instruction with regard to what it takes to be successful in ice hockey and daily life. On-ice instruction provided by USA Hockey trained coaches in a fun, relaxed, safe, and organized environment.
