Dear Parents,

Congratulations! You have just taken the first step towards ensuring your child's academic excellence within a Christian atmosphere. We serve our community by developing happy, secure, and responsible children. The foundation of our school is a focus on Christ, a constant supply of love and nurturing from certified, experienced teachers, and the fostering of a close family feeling in a carefully appointed classroom. Our student/teacher ratios are low, offering each child individual attention. Enrollment is limited to help achieve these goals.

We will begin our registration for the 2018 – 2019 school year on Monday, January 8th. *This first registration period, lasting one week, is limited to returning students, siblings and Abiding Savior Lutheran Church members.* Please be aware that the times your preschool child comes this year are not reserved for you next year. You must reenroll and availability is offered on a first come/first served basis.

We will open up enrollment for any remaining spaces to children from the waiting list and community on Wednesday, January 17th. Children born on or before January 1, 2017 are eligible to join us for the 2018 - 2019 school year.

Application forms may be picked up in the preschool office or downloaded from our website. No applications will be accepted before January 8th.

Please read the Tuition and Fees Policies Sheet and the Enrollment Application carefully, as some of our policies have changed.

To complete your child's application, please return all of the following items, along with your \$200 non-refundable Application/Activity/Supply Fee, to the preschool office.

1. Our Enrollment Application, with your child's photo attached
2. DH Form 680 Florida Certification of Immunization (available from your child's pediatrician)
3. DH Form 3040 School Entry Health Form (available from your child's pediatrician)

Please call us if you have any questions regarding our policies or your child's application or placement. We look forward to being with you in the coming school year.

In Christ,

Gabi Hein

Preschool Administrator
