

“The only place to get fish and chips in Santa Rosa. I like them better than the place on the other side of town. Always fresh and always yummy!”

“This is so far the best place ever. I love their fish the batter is not too thick it’s flaky and perfect. Their prawns and onions are also my favorite. I drive all the way from Suisun City just to eat here.”

“Quick service and FRESH fish! If you're looking for some down to earth fish and chips this is the place! Just real fish and chips. If you're getting takeout you walk in, make your order, then wait in your car and they bring it too you. Room inside is limited.”

“Great fish, came over from napa was in the area and gave it a try. Top quality fish light and crispy batter. The staff was very friendly. Ordered a 3 piece could not finish. Mel's Fish and Chips is highly recommended.”
