- **Summer Camp**

3. Old business

- Patrol Boxes – Done – Nice job – Will make future campout much easier!
- SOS Run on May 20th. – Another great turnout – Many compliments from the Village and event committee!
- Memorial Day Parade – 5/29/2023 – Great Turnout – Boys got to ride back on the roof of an ambulance! Great Time!
- Fishing Trip – Is it Cancelled?
- Totin Chips – Push to summer camp or next year.
- Thanks Mr Dean for organizing. Seems like the boys had a fun time.

4. New business

- Court of Honor tomorrow – Patches/Pins, etc. Snacks?
- Summer Camp – How many Adults and Scouts do we have?
-Forms and Medical Docs for all campers – Get these to parents ASAP. (Attached)
- Lots of new campers – Informational meeting or zoom sometime in late June/early July?
- With no fishing, should we try to get together for some other event before schools out? Go Carting? Water park?
- Parent Communications – Let's try to get parents info and deadlines for our various events early and often. They need a clear and direct call to action in order to respond (often a few times). With our troop's average age now around 12, relying on the boys to inform parents about events, dates, money deadlines, etc., isn't working. 11 Boys indicated they were coming to the fishing trip on the Google classroom, , but the confirmation and money needs to come from the parents, and it seems we received little response from the parents.
- 1st scout meeting for Sept – Sept 13th?? Committee Meeting Sept 12th??

5. Close Meeting
