

Membership Agreements

Dear Valued Member,

Welcome to the Play All Day's Family! We're thrilled to have you as part of our inclusive play space community. To ensure a harmonious and enjoyable experience for everyone, we've outlined some principles that we kindly ask all members to adhere to. Please take a moment to review these guidelines before your next visit. If you have any questions, feel free to reach out to us—we're here to help

1. **Supervise actively:** always Keep a close eye on your children. We might get busy and have various equipment, so it's important to ensure your child's safety; also Due to the mixed age groups (0-6), please supervise your children closely during play for their safety. "If you have concerns about your child's safety around older children, feel free to utilize the front play area, designated as a safe space for younger children. If needed, please inform the front desk of your concerns

2. **Set ground rules:** Establish rules with your children before entering the playground, such as no pushing, sharing toys, taking turns, etc. Reinforce these rules as needed during playtime.

3. **Dress appropriately:** Encourage your children to wear comfortable clothing and appropriate footwear for active play. Avoid clothes with drawstrings or loose parts that can get caught in equipment.

4. **Be mindful of other children:** ask your loved ones to be considerate of others and take turns on equipment. Remind them to watch out for smaller children who may be playing nearby.

We've created a safe environment for challenging moments, aiming to understand the reasons behind such behavior and finding solutions on the spot.

If your child seems upset, overwhelmed, or mad consider the following activities: Take your child to the quiet room for a break or make him / her busy in messy room.

Remember to stay calm, use slow movements, and minimize talking.

If you observe another child engaging in unsafe or upsetting behavior, please notify the front desk. Our staff are here to help and provide safe environment. Your calm demeanor can help reassure your child and prevent escalation.

If needed, you can take your child for a short walk in our beautiful walking area.

5. **Assess the Situation:** Take a moment to assess the situation and understand what is causing the challenge. Whether it's a disagreement with another child, a fear of a particular activity, or an injury, understanding the root cause will help you address it effectively.

6. **Provide Reassurance:** Offer your child words of comfort and reassurance. Let them know that you are there to support them and that it's okay to feel upset or scared.

7. **Seek Assistance:** If the situation escalates or if you need assistance in managing the challenge, don't hesitate to seek help from the front desk and staff or other parents nearby. They may offer valuable support and assistance in resolving the issue.

have fun: Indoor playgrounds are a great way for children to burn off energy and socialize. Enjoy the time spent playing and bonding with your child in this environment.
