## NOVEMBER 2020

### **MMOCC Holiday Party 2020.**

- CANCELED DUE TO COVID CONCERNS.

## **WHAT A YEAR!**

The last few years, we have reviewed the year at the Holiday Party, but the COVID Surge canceled that event for this year.

**Hence, let's reminisce about 2020 in the November issue...**

- 2020 started off normal, we had one of our best New Year's Day Garage Tours visiting so many great garages during a beautiful day. Such a success was bound to be an indicator of 2020! (Thank you, Dennis Smith.)
- Since 2020 shared some digits, the Roaring 20s became the theme for many upcoming events. MMOCC members pitched in, providing the 1920s/1930s cars for a really nice Roaring 20s photo shoot for the JC Chamber.
- MMOCC Member Bill Bicknell hosted us at his shop in Rolla with a side tour to Roeder Restorations. Well worth the drive... so much so, Bill has invited us back for another tour during the first part of 2021.
- On another pretty day in March, a large group traveled out to the Missouri Military Museum at the Ike Skelton Center and paid tribute to our veterans, including some items on display from MMOCC Member Ron Bogg. The year was looking good!
- St. Patrick's events came and, while a bit cold and dreary, it was fun to participate in the Paddy Malone's parade and the Ice Cream 4 Ice Cream event. (Was that dreary day foreshadowing?)

**Then Covid took off locally and the world changed...**

Capital Mall Cruise Nights were canceled and planned events to Kelsey Tire, Poet Biorefining, and many other local activities were canceled. Even our December 1 Holiday Party has been placed on hold.

COVID depressed us all, but we coped... the Saturday Morning Coffee calls went virtual with Zoom (thank you, Jack Boswell), monthly meetings included a Zoom option (if the internet held up), and we made events that did not involve being too close to each other.

- The Swinging Bridges Tour was one of our first events, post-Covid onset, and it was wildly popular.
- We returned to Capital Mall, with and without permission, and parked at a distance.
- Jim Logan let us visit his garage, if we stayed away from each other.
- When Covid really started hitting Central Missouri, we did our first Flag Day Cruise, brightening the spirits of not only MMOCC members, but onlookers and nursing home residents.
- We sat outside for the Braun-be-Que (thank you, Kenny Braun), participated in the California, Missouri parade, various Cruise Ins in Russellville, California, Loose Creek, Versailles, Argyle, and Folk (thank you, Evens). Folk hosted us twice as we also did the Folk Fall Colors Tour (thank you, again, Evens).
- New events popped up that will become traditions, including two Larry Rhea Poker Chip Runs, two Jim Martin Elston Ice Cream visits, the Taos ILRC Car Show, and a Veterans Day Cruise.
- To continue the tradition, the 51<sup>st</sup> annual Car Show was OUTSTANDING! (Thank you, Tom and Karen Winters).

Check out the photos of all these events at the website <https://midmoolldcar.club/pictures-%26-events-2020-%231>

Okay, so 2020 was not great for many reasons, but from MMOCC's perspective, we had a great time and our membership now exceeds 100 members!

Let's be hopeful 2021 is better for all, but we also want 2021 to continue MMOCC's good fortune from 2020!

*MMOCC President Lyle Rosburg*

We have increased our MMOCC Shirt Inventory. We have T-shirts in gray and white, collared polo-type shirts, and a humorous T-shirt addition. If your shirt looks dingy, time to upgrade! Dear Mid-Mo Old Car Club,

I wanted to thank you very much for the Mid-Mo Old Car Club Scholarship you awarded me. I am so very thankful to even be considered, much less chosen for this award. This will help me greatly with my education. I am pursuing a business degree with my future goal being to have my own antique car restoration business. I am grateful to the scholarship committee for selecting me, the Car Club for offering this scholarship, and the donors to the fund. I will be wise with its use and greatly appreciate it.

Sincerely,

Matthew Miller

# BRIDGE

Merriam-Webster defines a BRIDGE as a:

- a. a structure carrying a pathway or roadway over a depression or obstacle.
- b. a time, place, or means of connection or transition.

We certainly benefit from the bridge in Jefferson City. The original bridge was funded by the Jefferson City Bridge and Transit Company, the predecessor the Jefferson City Area Chamber of Commerce.
