RE: ABV Construction
37546 Trail End Street
Parish Governing Authority District 4, LA 70769
225.364.1852

To Whom It May Concern,

I am pleased to write this letter of recommendation on behalf of ABV Construction. ABV Construction has been providing our company with several trade services over the past two years. We are currently completing a 297 unit, multi-family renovation on one of our occupied properties, and ABV Construction has been our primary vendor completing interior prep/painting since the earlier stages of the project. To date, we have successfully renovated 229 units, 90% of which have been painted by ABV Construction. In addition, I have been able to call upon ABV Construction to complete other needed services, such as granite countertop installation, drywall finishing, fire restoration and cultured marble tub surround installation. I've been very happy with the reliability, quality of work and overall experience in dealing with ABV Construction.

If you have any questions, or should you need any additional information regarding this recommendation, please feel free to contact me via phone or email at the contact information listed above.

Respectfully,

A handwritten signature in black ink, appearing to read 'David Baker Sr.', written over a horizontal line.

David Baker Sr. PMP
