PTSA President Remarks - Bob Gaylord

Message from PTSA President

A Time to Volunteer!

If ever there were a time to volunteer, now is it!! So much to do for our students, parents, teachers and staff.

Let's just look at our Seniors. I think everyone wants our seniors to be appropriately recognized, appreciated and congratulated for achieving this major milestone in their lives. Seniors are looking forward to graduation and we are getting close to the 100 day mark before they do. FCPS and LBSS are planning on at least two events for our seniors every month to recognize and honor their achievements.

The PTSA is fully in a support mode with the school leadership as the events are planned and executed. We also are planning additional events to honor our Bruin seniors! Our 3rd VP, Julie Shedd has an entire committee, although small, of awesome, dedicated, giving volunteers focused solely on seniors and senior recognition...including support to graduation, graduate pictures, prom alternatives and a special 100 Days/"back to School" event.

But these events don't take place without a lot of work. And indeed, they may NOT happen unless we get volunteers. These events are NOT SENIOR PARENT issues alone...they are all of ours...the Lake Braddock Secondary School community! We all have a stake in our seniors...just as we hope others will have a stake in our son or daughter when they become seniors.

I ask you to step forward and help. Each of you have something to give. A simple reach out to Julie at thirdvp@lbspspta.org will get you connected. I guarantee you that you will be doing something meaningful for someone else.

You will be making a difference...you will be helping to create memories. Even a pandemic can't bring us down unless we let it. We control our attitudes, actions and efforts.

And after all, isn't that how we find meaning in our own lives?

With appreciation, Bob

Senior Spotlight: Dane Liberatore

Senior Spotlight: Dane Liberatore

This week, we are so excited to feature Dane Liberatore in our Senior Spotlight! Dane has truly excelled and blossomed at Lake Braddock and that has carried over to his life outside of LB, too. Dane has been involved with Bruin Buddies, Special Olympics (basketball and track), National Juniors Honor Society, and enjoys the community service project in his peer helping class.

His favorite class is his writing class because his teacher, Mrs. Susan Byrd, is "always so happy to see us". Dane's mother echoed that sentiment and shared that Mrs. Byrd brings a lot of energy to her classes and it keeps the

Dane has marched in three homecoming parades with Bruin Buddies. His favorite Lake Braddock memory was FanQuest 2019 because he made several baskets during the game. FanQuest is a Special Olympics basketball event traditionally held after the regular season where the students and community attend exhibition games that include an announcer, music and raffles like a regular high school basketball game. Meeting his IEP goals for PE this year was his proudest moment. He shared, "Sit ups and push ups were very hard for me. Plus, I did it virtually!"

He loves his teachers, and they adore and admire him. One of his favorites is Ms. R. (Susan Riedinger) because "she is really calm when we work together one-on-one. She is very nice also." Coach John Thomas is another favorite because he motivates him and "gets him to push harder" and Ms. Finch "because she understands me and my needs".

Ms. Riedinger shared with us that, "Dane is a pleasure to have in class. He is a hard worker. He is well liked, quiet, polite... a great student. He is just a really good kid."

CAT B Supervisor, Ms. Nancy Lucas-Heck echoed those sentiments. She stated, "Dane is earnest, hardworking and determined. No matter the challenge or the obstacle, Dane is persistent and steadfast in doing his best. Not only does he possess a strong work ethic, he is kind, considerate and respectful.

Dane has a great sense of humor, he's a good friend and an ideal student. We are all better people for having the privilege to know and work with Dane."

Outside of LB, Dane has a job as a porter at Bowl America Burke where he also bowls on two leagues. Dane has played Challenger Baseball since the age of six, participating in both the fall and spring leagues as well as the Challenger World Jamboree. He also enjoys Capernaum, a youth group for teens and young adults with special needs.

Traveling with family and going to historical sites is one of Dane's passions. He has been to many places up and down the eastern seaboard, from Miami to Burlington Vermont. He is also a movie buff and especially enjoys going to the [Family Drive In Theater](#) in Stevens City, Virginia.

His mom shared, "Dane works and plays hard. He's a great kid who has captured many hearts along the way." Friend and neighbor, Beverly Dernbach (Ms. Bev) was cited as Dane's inspiration because she is very active and fun to be around. "She is in her 80s but you'd never know it." He especially likes playing cards with her.

Though it is often falsely attributed to Mahatma Ghandi, his favorite quote actually originated with educator Arlene Lorraine, "Be the change you want to see".

When asked about his advice to underclassmen, Dane shared, "Goals are important. Set goals and work hard for them."

Dane plans to continue on to FCPS's Pulley Center, where he will explore different career paths and jobs. Ideally, Dane would like to work at the snack bar at Bowl America or get a job in a hobby store working with trains. He hopes to one day share a house or apartment with some of his many friends.

Congratulations, Dane!! You have a bright future ahead of you and we are so proud to have you as a member of the LBSS Class of '21!! May you continue to enjoy all that life has to offer as you inspire our Bruin Community!

Coca-Cola Gives Back to LBSS

So... how does it work?

1. Go to Coke.com/give
2. Sign in and choose Lake Braddock SS
3. Scan or enter product codes from participating Coca-Cola products.

Every purchase of your favorite Coca-Cola products is an opportunity to give back to Lake Braddock SS!

We have earned \$78.72 so far!

Lake Braddock SS is excited to participate in the Coca-Cola Give program. This opens up Lake Braddock SS to new funding opportunities to help with special projects and student recognition. The best part? Donations don't come directly out of your pocket.

When you make purchases of Coca-Cola products you enter the product codes that are found under the cap or on the packaging [here](#) and our school receives a donation. Thank you to everyone who has taken time to enter their codes.

This works similar to the Boxtops program where you enter codes for things you are already purchasing. Brands like Dasani water, Powerade, Fuze, Mr. Pibb, Sprite, and Honest Tea may be some of the brands you didn't realize are part of this program.

We are not suggesting that you buy anything you're not already buying - just that you take the time to look for the codes and enter them if you have them. You can scan the codes from your phone or enter them manually on the website.

Help LBSS make the most of this program!
