From the administration: School Planning Council

LBSS will continue the School Planning Council (SPC) in the 2021-2022 school year. The purpose of the SPC is to bring together various stakeholders to provide input and guidance on the direction of Lake Braddock. Providing an excellent and equitable education for all our students is our primary goal and we recognize the important role our community plays in shaping the direction of our school. Last year's SPC focused on putting Equity at the center of our work. During the 2021-2022 school year, the SPC will focus on our school's theme, Every Bruin Has A Story. We will be exploring how we support the individual needs of our students and celebrate the individuality of all Bruins. The council will meet in person four times during the school year (10/13, 12/15, 2/16, 5/18) from 6:00PM-7:30PM with dinner provided during the first 30 minutes. We ask that members be able to commit to attending all sessions. If you are interested in participating, please complete the application form by September 24th. Returning SPC members should still complete the form to continue their service on the committee.
