The Energy Corridor of Houston Orchestra (ECHO), voted last year's Best Community Orchestra of 2021 by the Houston Press, will be holding their first annual end-of-season fundraiser at Cafe Benedicte, 15455 Memorial Dr., Houston, TX 77079, on Sunday, June 26th, at 5:00pm. The evening will include cocktails, hors d'oeuvres, a silent auction, raffle prizes, and live music featuring ECHO musicians. Tickets are \$100 per person. Sponsorship packages are also available!

For almost ten years, ECHO has brought orchestral and collaborative performances to the heart of West Houston. Additionally,

every spring ECHO hosts a Young Artist Concerto Competition for musically talented middle and high school students located in the Houston area. The winner of the competition performs with the orchestra at the annual spring concert as a featured guest artist. It is part of ECHO's mission to foster young talent in the Houston area and to inspire other young musicians. The competition and performance is an educational experience for young artists as well as for the orchestra.
