Watch a fifteen-year journey, from the 1950s doo-wop era to the psychedelic seventies. This story follows the struggles of a young singer-songwriter's life to become a sensation in her own right. You might even recognize true-life singers and groups, of the eras, played by great actors, and you will definitely enjoy great music. From Executive Producer Martin Scorsese comes a lyrical tale of a remarkable woman striving to find her own voice in the male-dominated world of pop music.

"Our Fashion Show"

was a huge success! Because of all the hard work and effort from everyone, we were able to make a donation. I'm happy to say that on 1/18/2023 Georgianna and I met with the reverend Scott Morrow of the North Haven Congregational church and handed him \$500.00 for the town food pantry. See picture on next page.

The new year is here and we've started working on fashion show 2023. Join our committee. We need your help to make it another banner year. Thank you!"

PERSON OF THE WEEK

Mark DeFranco has found friendship and family at Lodge 2805.

Joining the Sons and Daughters of Italy Lodge 2805 began as a family affair for Mark DeFranco. Mark, the group's treasurer, who joined in 2004 to be with his cousin and the group's founder Neil Velleca, Sr., saw it as an opportunity to socialize and work with other Italian-Americans.

"My cousin, Neil Sr., thought it would be a great idea to have a Sons and Daughter chapter in North Haven," Mark says. "I've been in there since the beginning. I've been the treasurer the whole time, the whole 19 years. I think because it's quite a bit of work."
