

THANK YOU

The exhibition has finally drawn to a close. Carole and I wanted to send huge thanks to everyone who has helped, viewed, visited and kindly donated to [Marie Curie](#) and [Macmillan](#).

The wonderful news is that you have helped us to raise £5000, plus the collection boxes which are on their way to [Marie Curie](#) and [Macmillan](#) in this area.

Our online portal is still open, but so far, our Just Giving has raised £2405 for [Marie Curie](#) and [Macmillan](#) nationwide. Our cash donations have reached £2595 which has been split and given directly to [Marie Curie](#) and [Macmillan](#) to be kept in this area.

We are overwhelmed by everybody's generosity, and we would firstly like to thank Glenlivet Public Hall for providing us with such a special venue. Thank you to our helpers for their time, creativity, artistic flair, baking, flowers, charity advice and all their errands – we couldn't have done this without you.

Thank you to [Macmillan](#) and [Marie Curie](#) for all that you continue to do to help us throughout the generations, and we hope that these donations will help in supporting your amazing work.

Finally, to Angus Donaldson, thank you for having brought these paintings to life and providing us all with your unique humour, spirit and colour. You live on with us in our hearts and minds through your beautiful pictures and views. Thank you.

**My heart goes out to you all,
Sorcha Donaldson**
