Colors are for the one-tier villages: Cordova, Harbour Springs, and La Costa.

However, if a two-tier village does not have a color chart (e.g., Laguna, Las Flores, Reflections, Regatta, Sonata, and The Isle) they must choose from the approved MBCA color chart.

**Note:** Chosen colors are from Home Depot. Paint / Stain may be purchased anywhere providing an **EXACT COLOR MATCH**. Otherwise, homeowner will be subject to restaining at their own expense.
