SPIRITUALIST
CHURCH
SONG BOOK**

WELCOME TO THE AUGUSTA SPIRITUALIST CHURCH

Included here is some helpful information about our Healing Service and the Spirit Communication portion of our church service.

Our church service is in 3 parts.

- (1) Healing Service – where student and commissioned healers stand behind the chairs and use a hands-on approach to pass healing energy to the individual sitting in the Healing Chair.
- (2) Inspirational Talk is given by our guest medium and will focus on a subject that accents the philosophy of Spiritualism and will bring a feeling of upliftment.
- (3) Spirit Communication/Validating continuity of life. A primary objective of our religion is to prove the continuity of life and demonstrate that our human personality continues after the change called death. Death of the physical is really the beginning of a new and much broader life, life in the Spirit World.

HEALING CHAIRS

About our *Healing Chairs*. The Healing Chairs are open to any member of the congregation. Healers use a hands-on approach to pass healing energy to the individual sitting in the Healing Chair.

This healing energy helps to bring about relief, cure, and/or healthy conditions. Healing can be for financial worries, mental, emotional or physical conditions and/or spiritual guidance. You can also sit on behalf of a friend or relative who is in need of healing. While sitting for healing, place your feet flat on the floor and your hands lying on your lap. This creates a positive flow of energy. Some individuals believe that placing palms up represents healing for others while palms down represents healing for you.

How to put someone on our *healing list*. You can see the Moderator following the service to place a name on our healing list.

SPIRIT COMMUNICATION OR VALIDATING CONTINUITY OF LIFE

The last part of our service is dedicated to spirit messages/greetings and proving the continuity of life. A primary objective of our religion is to prove the continuity of life and demonstrate that our human personality continues after the change called death. Death of the physical is really the beginning of a new and much broader life, life in the Spirit World.

The concept and practice of mediumship distinguishes Spiritualism from other religions. The purpose of communicating with the spirit world is to:

- Demonstrate communication of life after the physical change called death.
- Comfort those who have "lost" a loved one to the spirit realm and to offer that Spirit the opportunity to convey consoling and helpful messages to those left behind.
- Bring guidance, knowledge, and assistance from the wiser and more advanced spirit helpers on the higher planes of existence.

Spirit offers guidance and support to us all. You may get important insight or clarity to a situation that is present in your own life by listening to the messages being given to others.

Proper etiquette when a medium is giving messages to members of the congregation:

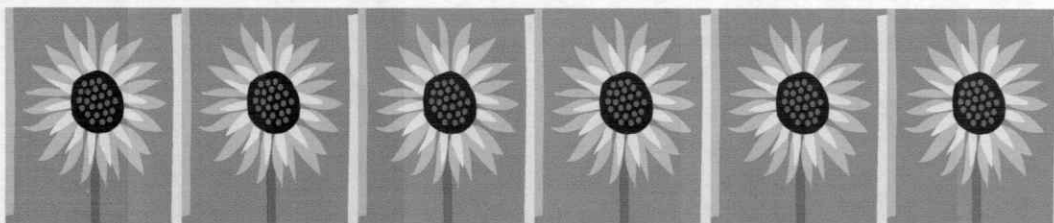

- Please refrain from side conversations as this could distract the medium and potentially break the connection.
- If you need to leave the sanctuary do not cross between the medium and the individual receiving the message. Again, this may break the connection.
- Turn off cell phones or place on vibrate.

A Spiritualist believes in mediumistic communication and attempts to conduct his/her life according to the highest teachings received from the Spirit realm.

For more information about spiritualism and the Augusta Spiritualist Church please visit our web site at www.augustaspiritualistchurch.org or our facebook page: Augusta Spiritualist Church

We hope that you enjoyed the Church Service. Please feel free to speak with the Moderator or guest medium if you have questions, comments or suggestions.

We hope to see you again soon.

THIS OR SOMETHING BETTER

This or something better, is waiting for me.
I know that this or something better, is the key that will set my heart free.

I'm gonna let go of control. I'm gonna get out of my way.
I know the Universe conspires, to bring me heaven today.

CHORUS: I know, that this or something better, is waiting for me.
I know that this or something better, is the key that will set my heart free.

I'm tired of playing it small, I'm doing what I think I should.
The Universe stands up to meet me, to claim my highest form of good.

CHORUS

(music)

I know it....I claim it....I have it right now....I know it..... I claim it.....I have it right now. (repeat)

CHORUS

I'm gonna say yes to my dreams, let my imagination soar.
I know that I have gifts that I must use, and that is what I was put here for.

CHORUS

I know it....I claim it....I have it right now....I know it..... I claim it.....I have it right now. (repeat)

Grateful, grateful, grateful for all the love that I have. (repeat)

That's why I'm grateful, so very grateful. I am grateful for all the love that I have.
I am so so very grateful. I am grateful for all the love that I have.

Everyday I wake before I open my eyes. I count my blessings and I realize,
Life is a miracle when I see it that way. I focus on the beauty, that's why I've got to say.

How I'm grateful. So grateful. I am grateful for all the love that I have.

Prosperity, I claim it. Abundance, is mine. Love flows through me. I feel joy all the time.

I can have it, I deserve it, I claim it, it is mine.
I can have it, I deserve it, I am it, it's my time.

Peace fills my heart, I surrender, everything. Health, is my birthright. Passion, helps me sing.

I can have it, I deserve it, I claim it, it is mine.
I can have it, I deserve it, I am it, it's my time.

Anything I want. Anything I desire. Anything that brings me to my highest good. (repeat)

WE ARE THE ONES

We are the ones that we've been waiting for. We are the ones who will make a difference.
We are the ones who will change the world.
We are the ones, we are, we are.
We are the ones, we are, we are.

I've been feeling like I can't make a difference. I've been feeling like there ain't no use.
Feeling tired and a little unconscious. Coming up with every kind of excuse.
Till I realized it's not all up to me. When we join together we shape our destiny.
To see a world where we are living as one. It can be, it shall be, it will be done.

We are the ones that we've been waiting for. We are the ones who will make a difference.
We are the ones who will change the world.
We are the ones, we are, we are.
We are the ones, we are, we are.

SONGS BY KAREN DRUCKER
www.karendrucker.com

No one else is going to make the changes. No savior gonna drop from the sky.
Nothing left to do but wake up. Cause it's really up to you and I.
To take it one step at a time. Stand together with your hand in mine.
Then we will see the world that we've been dreaming about.
We need it now, the time is now, there is no doubt.

We are the ones that we've been waiting for. We are the ones who will make a difference.
We are the ones who will change the world. I know.
We are the ones, we are, we are.
We are the ones, we are, we are.

And I am the one that I've been waiting for. I know I am the one who will make that difference.
I am the one who will change the world. Yes, I am the one, I am, I am.
I know I am the one, I am, I am. And we are the ones, we are, we are.
Be the change that you want to see now, we are, we are.
I know that you can do it. You are, you are, you are, you are.
You are, you are, I know that we are. We are, we are, every day we can make that change now.
We are, we are, we are the ones.....

EVERY LITTLE THOUGHT I THINK

When I'm feelin' down and blue, I've found a trick that I'll share with you.
I can choose a better way, with every little thought I think.

(music)

If I wake up with a bad attitude, I fill my mind with gratitude.
I give thanks for everything, with every little thought I think.

(music)

I can choose to be happy. Choose to be free. Moment by moment, it's all up to me.
'Cause what I think about I bring about, that's the way it is and there is no doubt.

Day by day I pave the way, with every little thought I think.

(music)

Whatca' thinkin', whatcha' thinkin'. Whatca' thinkin', whatcha' thinkin'.
Whatca' thinkin', whatcha' thinkin'. You gotta watch your thinking.

When I'm feelin' down and blue, I've found a trick that I'll share with you.
I can choose a better way, with every little thought I think.

(music)

And if I wake up with a bad attitude, I just fill my mind with gratitude.
I give thanks for everything, with every little thought I think.

I can choose to be happy. Choose to be free. Moment by moment it's all up to me.
'Cause what I think about I bring about, that's the way it is and there is no doubt.

Day by day I pave the way, with every little thought I think. (repeat 2x)

Whatca' thinkin', whatcha' thinkin'. Whatca' thinkin', whatcha' thinkin'.
Whatca' thinkin', whatcha' thinkin'. You gotta watch your thinking. Watch your thinking.

MY RELIGION IS KINDNESS

CHORUS: My religion is kindness. My church is nature. My god is a feeling, that lives deep inside.
My job is to be conscious. My path is forgiveness. My religion is kindness, and I practice it everyday.

Everyone has a story, everyone has pain.
When we strip away our masks we find that we're really all the same.
It's those little things we say and do, that can mean so much.
It's a smile, a connection, a simple loving touch.

CHORUS

Today I'm gonna ask myself, what more can I do, to be a radiant child of God.
And let my love shine through. I'm gonna let my heart be my guide to give the best of me.
I'm gonna share my joy, share my love, give it boundlessly.

CHORUS

Bridge: Jack and Jill went up the hill to fetch a pail of water.
But when Jack fell down and broke his crown and Jill came running after
She said: "Jack tell me what can I do to help ease your mind?"
He said: "Hold my hand and just be kind and I know I'll be fine."

CHORUS

HOW GREAT THOU ART

O Lord my God, when I in awesome wonder, consider all the worlds thy hands have made,
I see the stars, I hear the rolling thunder, thy pow'r through-out the universe displayed,

CHORUS: Then sings my soul, my saviour God to thee; How great thou art, how great thou art!
Then sing my soul, my saviour god to thee; How great thou art, how great thou art!

When through the woods and forest glades I wander, And hear the birds sing sweetly in the trees;
When I look down from lofty mountain grandeur and hear the brook and feel the gentle breeze.

IMAGINE

Imagine there's no heaven, it's easy if you try
No hell below us, above us only sky
Imagine all the people
Living for today.....

Imagine there's no countries, it isn't hard to do
Nothing to kill or die for and no religion, too
Imagine all the people
Living life in peace.....

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions, I wonder if you can
No need for greed or hunger, a brotherhood of man
Imagine all the people
Sharing all the world.....

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

GOD BLESS AMERICA

God bless America, Land that I love
Stand beside her and guide her
Thru the night with a light from above.

From the mountains, to the prairies
To the oceans white with foam.

God bless America
My home sweet home.
