

April 4, 2024

Engie alongside Industrial Energy have secured Priddy Wind as a renewable energy source for KPG IMW through December 2028. This represents one of multiple renewable deals between the organizations, as KPG continues to convert their portfolio to running on green energy.

“100 IMW” was originally designed by Pietro Belluschi and completed in 1965. The nine-story property was formerly known as the Rohm and Haas Building and is listed on the National Register of Historic Places. The IMW Building, located at 100 S. Independence Mall West in Philadelphia.

*Industrial Energy is one of the longest tenured energy advisors in the industry. We represent supply of energy for businesses, via strategic partnerships, which have afforded us access to proprietary solutions and contractual arrangements for our clients.*

*Our company leadership has over 35 years of experience in providing supply, strategy, and full coverage, and we function in the form of on-staff energy advisors, to best assist our customers and end users.*

*Our group has also led in the area of renewable energy supply, with site-specific PPAs and VPPAs. (Power Purchasing Agreements and Virtual Power Purchasing Agreements). Industrial Energy has renewable supply availability across the country.*
